SUMMARY

Aspiring Data Analyst with a BCA in Computer Applications and a Google Data Analytics Professional Certificate. Hands-on experience with SQL database design, data cleaning, and visualization tooling (Power BI, Excel, Tableau), backed by Microsoft/Coursera certifications in Power BI and Generative AI-assisted data analysis. Comfortable translating raw, unstructured data into normalized, query-efficient structures and clear visual reporting.

SKILLS

Data Analysis & Databases: SQL (schema design, queries), Python, Excel, R
Visualization & BI Tools: Power BI, Tableau
Other Technical: HTML, CSS, JavaScript
Certified In: SAP Fundamentals, Generative AI tools for data analysis
Core Strengths: Analytical thinking, attention to detail, clear communication of findings

CERTIFICATIONS

Google Data Analytics Professional Certificate — Google
Data Analysis and Visualization with Power BI — Microsoft, via Coursera (Jul 2026)
Advanced Data Analysis with Generative AI — Microsoft, via Coursera (Aug 2026)
SAP Professional Fundamentals

PROJECTS

Pet Adoption Platform — Personal Project Feb 2025 – Apr 2025

Tech Stack: SQL, PHP (Backend) | HTML, CSS, JavaScript (Frontend)

Designed normalized SQL schemas across 3 core modules (users, listings, adoption requests), reducing data redundancy and improving query efficiency

Built backend logic in PHP/SQL to manage end-to-end data flow for registrations, listings, and adoption requests

Structured a responsive, standards-compliant frontend (HTML/CSS/JS with Grid/Flexbox) to present data consistently across devices

EXPERIENCE

Web Development Intern — 8Queens Software Technologies Pvt. Ltd. Jun 2024 – Jul 2024

Chennai, Tamil Nadu

Collaborated cross-functionally with the UI/UX team, applying attention to detail to standardize layout and improve consistency across 5+ pages

Practiced semantic, standards-based coding and participated in structured code reviews, contributing to a cleaner, more maintainable codebase

EDUCATION

BCA — Computer Applications, Dr. MGR-Janaki College 2022 – 2025

Chennai, Tamil Nadu | CGPA: 74%

LANGUAGES

English — Full Professional | Tamil — Native / Bilingual
